

# Year 6 Geometry: Location: Cartesian Plane

## Remote learning activity solution

This image is the answer to activity in the Remote learning section of Year 6: Location: Cartesian Plane.

It shows a cartesian plan with X axis ranging from negative 4 to 11, and Y axis ranging from negative 2 to 8.

The following coordinates have been plotted to form the letter F: (2,7) (7,7) (7,5) (4,5) (4,3) (6,3) (6,1) (4,1) (4,-2) (2,-2) and (2,5).
